

Afternoon workshop, in Sydney area.
SYSTEMIC FAMILY CONSTELLATIONS

Dr Panayiotis Vyras
Psychiatrist-Psychotherapist (EFTA/EFPP)
Athens Synthesis Centre, Greece.

A therapeutic method offering insight and solutions to a variety of problems. Issues related to family history are processed for the purpose of achieving understanding and well being.

Areas to be explored: **Relations, Work, Finances, Health.** For a small group (10-15 persons) providing an opportunity to examine family or other systems in depth. Participants may do two things: Investigate their own system and be active observers for others, in 4 sessions of approximately 45 minutes each. It's a healing experience, addressed to: Educators, mental health workers or users, parents, psychology students and other associates in community services.
